

## Concepts for mutual development

### We challenge suppliers to cooperate on the concept development

Severstal company is looking forward to consider and cooperate on implementation of your concepts aimed to improve the general performance, to reduce the supply chain expenses, to improve quality and capacity for innovation.

#### How can we start cooperating?

In order to start cooperating please formulate your idea in the free form and forward it to the dedicated e-mail address: [ideabox@severstal.com](mailto:ideabox@severstal.com)

The Project management office of Procurement department shall give you a feedback upon receipt of your concept within 24 hours and a feedback on the results of your concept review by the procurement committee within 2-3 weeks.

*Attention please. This e-mail is not intended for submission of commercial offers of products. Thank you for understanding!*
